In the May 2003 Response, it is stated that "Enclosed are added Figures 4A-K, 5A-C, 6A-5O, 7, 8, and 9. These figures are from co-filed application 09/144,202, originally incorporated in its entirety, now issued U.S Patent 6,320,222. ... The instant amendment corrects typographical errors made in applying the above process where character YXX of application 09/144,202, now issued U.S Patent 6,320,222 was changed to characters (Y+3)XX of the instant application."
